PT Indonesia Comnets Plus	iconpln.net.id	124.158.175.50	Depak, Indonesia	63%

Site visitors report for August 27, 2019 to September 23, 2019

None of the peaks were from IP addresses with a 50% or greater confidence of abuse in the Abuse IP database, in fact the highest was 6%, so no IP address blocking is required.
